*les Terrasses
de Figanières*

A rectangular swimming pool with clear blue water is the central focus. The pool is surrounded by a light-colored stone or concrete deck. In the background, there is a dense green hedge and a line of trees. A large, light-brown terracotta vase sits on the right side of the pool's edge. The foreground is partially obscured by dark, leafy branches hanging down from the top. A semi-transparent white rectangular box is overlaid on the bottom right of the pool, containing text.

We are delighted to welcome you to
Les Terrasses de Figanières, where each day offers a
new opportunity to enjoy life under the azure sky of
Provence and discover the region.
